VOLUNTEERS IN MEDICINE
— LACKAWANNA COUNTY —

Welcome to Volunteers in Medicine Lackawanna County

Volunteers in Medicine of Lackawanna County provides **FREE** *primary care and specialty services to* **low income uninsured patients.** *Our health care professionals include - physicians, nurses, and administrative personnel who volunteer their time, and expertise to care for our patients, who are treated with the highest level of respect, dignity, and medical excellence.*

MISSION STATEMENT -

"Volunteers in Medicine is a non-profit , community based organization developed to help meet the primary health care needs of the working uninsured populations in Lackawanna County, Pennsylvania. The program is designed to provide free primary and preventative health services for those individuals who are employed but have no access or cannot afford health insurance."

How to become a Patient

To be eligible to become a patient at VIM:

- Be employed with a household income within 200% of the annually published Federal Poverty Guidelines
- **Not** have private health insurance
- **Not** have federally-funded insurance such as medical assistance
- Live or work in Lackawanna County, PA.

NOTE: *To determine eligibility, prospective patients must provide appropriate financial and other documentation during a scheduled screening appointment. Patients must provide: proof of identity, proof of work status and household income (recent pay stubs, a recent W-2 form, or an employer's verification of wage) and proof of residence. We cannot provide services if the Patient does not bring these documents.*
